Companies may participate in the Financial Services Database by country, by region or by making one global submission. Companies must submit executive data to purchase executive products and/or middle management, professional and support data to purchase middle management, professional and support products. All results must be requested by order form and will be delivered via Comp Online™.

Discounts for multi-country purchases are provided below and apply only if your organization can provide a regional or global contact(s). Please indicate the country (ies) for which you plan to submit data and purchase results then fax or email the completed order form to your regional database center or local Account Manager. Towers Perrin will provide a confirmation e-mail of your order if discounts apply.

As a Financial Services Database participant, you are able to purchase General Industry Database results at a 50% discount for countries in which you submit Financial Services industry "roll over" data. Please contact us for more information
